Mr JÖRG Rode

I have the honor to inform you of your appointment to the office of President of Germany. G.P.F (Germany physic Federation).

Your mission is the development of the WPF on the German territory and by your contacts if you wish, beyond your border. You will be in Liaison with the European President, Mr Artur KOLOWSKI.

If you organize a demonstration you will have to respect the rule of the WPF that we will not fail to provide you.

You have all the power in accordance with our rules to do the right thing.

I remind you that any modification must be validated by the nations present at Monde.

From now on you can work towards the development of the WPF in Germany in the form that you will like in connection with your administrative authorities concerning the creation of an Association.

The WPF thanks you and wishes you the best.

Very sportingly

Armando CUTONE
